Can a few dollars a week really make a difference in the lives of your neighbors? At United Way of Treasure Valley, it does. That's because 100% of every dollar you give is invested exclusively in the Treasure Valley, in programs reviewed annually for results. And because Corporate Champions underwrite our operating costs, no overhead is ever deducted. Which makes a donation to United Way one of the most powerful gifts you can make.

THE BEST WAY TO HELP THE MOST PEOPLE.
